PROFESSIONAL SUMMARY

Junior Front-End Developer with 2+ years of experience specializing in transforming Figma designs into responsive, pixel-perfect, user-friendly interfaces. Proficient in React.js, JavaScript, TypeScript, and Tailwind CSS, with a portfolio of 28–30 completed projects including landing pages, admin dashboards, and full-stack web applications. Skilled in collaborating with cross-functional teams to deliver high-performance products aligned with business objectives.

EXPERIENCE

Moatmt *Jul 2025 – Mar 2026*

Front-End Developer (Part-Time) *Remote*

- Built modern landing pages and admin dashboards for company products and client platforms
- Collaborated closely with backend developers and UI/UX designers to deliver pixel-perfect, responsive interfaces
- Wrote clean, reusable, and scalable components with React.js, Next.js, Tailwind CSS v4, and FlyonUI
- Ensured cross-device compatibility and smooth user experience across all deliverables

Unlimited Software *Jul 2024 – Present*

Front-End Developer *Cairo, Egypt*

- Built and refactored frontend websites, landing pages, and reusable components using Laravel, Vue.js, Tailwind CSS, and PrimeVue
- Integrated REST APIs and handled frontend data flow across product features
- Leveraged the Vue ecosystem including Pinia for state management
- Collaborated with UI/UX designers to translate design decisions into clean, maintainable interfaces
- Worked with testing and business teams to improve product quality and align with requirements

Prospera Systems *Sep 2023 – Jul 2024*

Front-End Developer *Cairo, Egypt*

- Developed and maintained responsive web applications using modern frameworks
- Implemented responsive designs and collaborated with team members
- Optimized application performance and refactored legacy code

LavaLoon *Apr 2022 – Sep 2023*

Front-End Developer *Cairo, Egypt*

- Translated UI/UX wireframes into production-ready code for various client projects
- Ensured application responsiveness and maintained frontend features
- Applied newest front-end development techniques with HTML, CSS, JavaScript, and Bootstrap
